SENATOR SAVAGE: Mr. Speaker and members of the Legislature, the Department of Roads came before the Transportation Advisory Committee this morning with an urgent problem. I am sorry. I passed out the statement of intent without my signature on it. I signed one, in order to get them out. We had intended to take this up, in the orderly fashion, on Monday but since the suspension of the rules I thought we possibly could get this in today. This is an emergency that the Department of Roads has. The legal counsel doubt that the Department of Roads has the authority to provide housing of a last resort without this provision. They are unable to fully comply with United States Public Law 91-646. It is a problem. It's an emergency.
